Dear Mr. Marcus:

This responds to the Commission's Document Request No. 14 to the Department, which requested documents that describe cell phone and airphone calls placed by passengers and crew aboard American Airlines Flight No. 11, American Airlines Flight No. 77, United Airlines Flight No. 175, and United Airlines Flight No. 93 on September 11, 2001.

Enclosed are fifty pages documents provided by the United States Attorney's Office in the Eastern District of Virginia in response to this Request. In order to respond to your Request as promptly as possible, we are providing these documents before they have been formally processed, but we will make available Bates stamped versions at a later time.

I hope that this information is helpful. Please do not hesitate to contact me if you would like additional assistance regarding this or any other matter.

Sincerely,

William E. Moschella
